

Information and Requirements

- Mini Campers (entering Kindergarten) function in a group of between 14 and 20 children with one teacher and one or two high-school/college age counselors.
- Campers entering grades 1-2 stay with a small group of between 12 and 18 campers with one or two counselors. These campers move with their group throughout the building, as well as walk to and from the pool daily.
- Campers entering grades 3-6 do not remain in the same group throughout the day, but move somewhat independently among the classrooms on two floors of Somerset Elementary School.

All campers must:

- be able to function within a group setting.
- be able to cooperate with and follow counselor and teacher directions.
- be able to communicate clearly with counselors and teachers.
- be able to stay with their group.
- be capable of following basic safety rules and practices.
- be able to interact with other children and adults in a safe manner.
- be able to follow the schedule of activities in which they have enrolled.
- be able to attend to their own basic needs (eating, dressing, toileting, etc.)

Please contact a Camp Summerset director *before* enrolling your child if you have any questions or concerns.
